Re: RW Community Resource Guide

We have updated the information in The River Wilderness Homeowners Association Community Resource Guide. The document contains a quick guide to RW, frequently asked for information, and current community contacts. The Resource guide is given to all new residents when they are visited by our RW HOA Welcome Committee. You may obtain your copy of this Resource Guide by clicking [here](#).

You may also obtain all other official HOA documents, forms, and communications at the HOA website at www.rwhoa.org.

The RW HOA Board

Syble DiGirolamo, President
