PARTICIPATION, THAT RESULTS IN THE MOST
BEAUTIFUL COMMON AREA AND HOME
LANDSCAPING IN RIVER WILDERNESS"**

September 2021 Newsletter, Vol. 2 Issue 1.

Introduction:

The Hammocks Beautification Committee would like to communicate with our community to let them know what has been accomplished and what we would like to accomplish, to solicit more volunteers, to fund raise for small donations, and provide some helpful gardening tips.

The Committee has a core team, and those members are listed below. However, we have ad hoc members who participate in cleaning our common areas in conjunction with committee members.

The Beautification Committee picks up where the BrightView landscaping contract ends. This edition covers January through August 2021.
