DRIVERWAY PAVER COLORS

RIVER WILDERNESS COLOR PALETTE SCHEMES:

Please choose one **Base** color and one **Trim** color,
both from the same color schemes.

You may choose the **front door color** (accent) from a different
color scheme than your base & trim.

(Please note that **base & trim colors must always be from the
same color scheme and cannot be mixed & matched.**)

- If your home has **shutters**, they must be painted the trim color.
- The **side garage door** must be painted either the **base color** or
the **accent (front door) color**.
- The **front garage door** and/or **doors** must be painted either the
base color or the trim color.

**An ARC request form must be submitted prior to painting,
whether you paint the same or a different color since all color paint
names were changed by the manufacturer.**

If you have any questions, please call the **ARC Chairperson**.

Sherwin Williams Paint Discount

River Wilderness residents will receive a discount (amount varies but starts at 25% from Sherwin Williams paint.

The account number for River Wilderness residents is #9936-8343-2

Any River Wilderness resident may use the discount anywhere in the United States. In other words, if you are painting a relative's home in another state, you can still receive the discount.

The house paint color names/numbers used in this book are Sherwin Williams's paints.

Please note that you are not required to use Sherwin William's paint. You are, however, required to match colors used in this book.

DRIVEWAY & WALKWAY COLOR CHOICES CHART

To stain, seal or paint your driveway and/or walkway (from driveway to front door), you must choose from one of the following colors.

The intent of these color choices is to offer stains, seals and paints that will protect driveways from oil, rust and other stains and to offer choices that most closely resemble untinted concrete.

You must submit your choice by completing an "Architectural Review Form" and sending to RW.

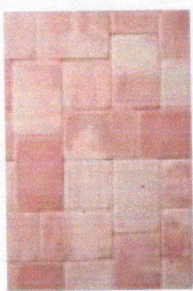

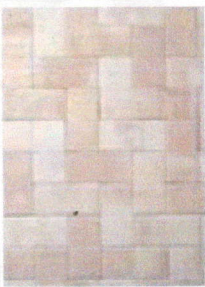

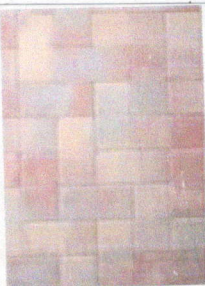

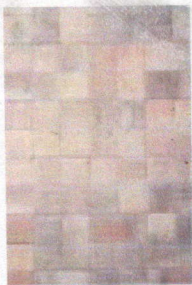

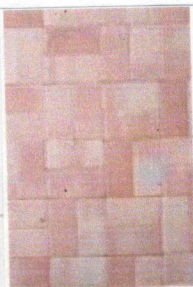

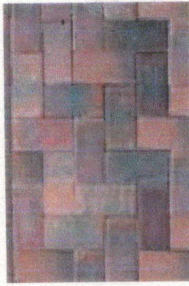

Please note that public sidewalks are not to be sealed, stained nor painted.

DRIVEWAY & WALKWAY PAVER COLOR CHOICES CHART

When using **PAVERS** on your driveway and/or walkway (from driveway to front door), you may choose a range of the following colors and patterns.
 The intent of these color choices is to offer you a range of colors consisted with the colors used in the River Wilderness Development.
 You must submit your choice by completing an "Architectural Review Form" and sending to AMI or River Wilderness Home Owners Association.
 Please note that public sidewalks are not to be paved, sealed, stained nor painted.
